

108722

1-2

Country Luzon, P. I.

Locality Abra.

Lacub

People Tinguian

Stock.

Name Kotiti. Bamboo fire

making apparatus. A small section of bamboo, No 1, has two notches cut through it, below these notches is placed cotton. Section No 2 is then rapidly rubbed across the section 1, in the notch. The friction ignites the cotton below.

Collection R. F. Cummings Expedition,

(F. C. Cole, 1907-8).
