FIELD MUSEUM OF NATURAL HISTORY—ETHNOLOGY

34-58

243645A-I

Provenience: Philippine Is.

Field No.

People or Culture:

Object: quiver of darts

Material: ink on wood and bamboo

Description: The quiver is a section of bamboo with a carved wood handle. The handle is applied with wrapped fiber. The darts are wood. Seven of the darts have carved tips and ink drawn around the circumference. Four of these darts have a conical bead at the end. The eighth dart is plain and has neither a carved tip nor ink.
