

A **ENT** CHICAGO NATURAL HISTORY MUSEUM—ETHNOLOGY
182602

54B-10/18

Provenience: China

Field No.

People or Culture: Chinese Period: ca. 1865

Object: Coin-charm

Material: Iron, brass, string

Description: Coin-charm in form of a sword; made from coins mostly of the Kuang-hsu period, but with scattered coins from other reign periods, including Tao-kuang and Chien-lung. The coins are attached to an iron rod and strung with red and yellow string. The string is rotted and broken in several places; repaired. - Belonged to donor's great-grandmother.
