COMMENTS

SEE 116224

- comment by Wilbur: ca early 1940's: 'Two scenes from the DREAM OF THE RED CHAMBER, in two narrow strips pasted together. Colour on paper, interesting only as genre painting, having no artistic merit. Ch'ing period. Scene I - Young woman and female attendant, at toilet table. Scene II - same young woman in window playing lute. Same young man seated in garden with a young woman holding a whisk.'
