SEE 116129

- comment by Wilbur: ca early 1940's: 'Two parrots in a tree. Catalogued as painted by Ssu Ma-Chung. Neither this painting nor 116129 also described to a Ssu Ma-chung, have a signature. (Note the very different styles of these two paintings). Colour on paper, much torn and repaired, so that there is real damage to the body of the painting. It is a nice painting, well composed and carefully executed. Ch'ing period.'
