- comment by Wilbur: ca. early 1940's: 'Bamboo paintings in ink on dark paper attributed by Dr Laufer to Ching Tse-ming. All four appear to have been cut from longer or perhaps even wider paintings, the plain paper at the top having been pasted on. They are painted with a pleasing variety of ink tone and considerable freedom. They are not bad. Ch'ing period'. (No reference to the painter was found in Hirth)'.
