Eastern screen willow hedge river =

Tung ping liu Lan ch'uan (not a name?)

- comment by Wilbur: ca early 1940's: 'Portrait of a woman, colour on dark paper, looking rather older than a late Ch'ing portrait, perhaps rather due to condition, but judge it to be early Ch'ing period. The execution is careful, and somewhat better than the average hack painting, although this is by no means a good painting'.
