1-6

Country *Oceania*
Locality *Samoa Islands*
People *Samoaans* *Polynesian* Stock
Name *Six barbs or stings of the Sting Ray fish - used
as weapons & instruments of torture*

1.50

These dangerous "stickers" were much used for
secret attack and assassination. Thrust into
the body, they are said to work themselves
inward, and with difficulty and danger are
taken out.

Collection *Gustavus Edward*
