Field No.

Provenience: Italian

People or Culture: Etruscan

Object: Pair of ear-rings

Material: Gold, pearls

Description: 2 gold earrings, each shaped like a half moon with a section missing at the bottom, where a pearl hangs. Above the pearl a gold leaf. The moon has twisted filigree design, and the top ends are joined by a gold semi-circular lash. The lash has an incised stamp on it which indicates a later date than the rest

Neg. No.

Dimensions: of the earrings. Stamp not readable.
(in cm.)

Length: 1) 3.5 Width: 2.4
2) Same
