Name Linens fragment with tapestry-woven silk
bands, incl. 4 lines of Arabic (Naskhi). One broad
band with blue silk ground and details in black, red and yellow
is flanked by bands with yellow ground and details in red
and pink (one band almost wholly lost). Interlaced stems down
centers form circles enclosing animals (lions?). Inscriptions
from the outer borders.

Collection Selected by Prof. James H. Breasted from André
Bircher's collection.

Arabic, 12th cent.?

Presented by Ernest R. Graham, Chicago.

Cf. Dimand in Metro. Mus. Bull., Nov. 1927.
