Country Philippine Islands
 Locality Probably Zambales, Luzon
 People Negritos (?) Stock
 Name Bow and 6 arrows. Bow of

palma brava, grown on concave side.
Twisted bark bow string. Arrows have
reed shaft & metal points (see sketches)
The leaf-shape point is uncommon in the Philippine
but the square metal point with barb is used
by the negritos of Bataan Province.
 Collection

Notes Arrows have triple feathering, & notches cut
into ends.
