Provenience: Oceania Philippine Islands

Field No.

People or Culture:

Object: Basket with smaller basket in lid

Material: Grasses

Neg. No.

Description: Basket with dark and light brown colored grasses used in the coiled weave. Basket has six sides which meet a shoulder going around top of basket and upon which the mouth of basket is built. The lid fits over mouth and out of center of lid another smaller basket is formed. This too has a lid which fits over mouth. The design is made up of angular lines and triangles. See reverse for Collector's Tag Data.

Dimensions: Height, 24.2; Diameter, 15.1.
(in cm.)

neg. #16.P. 2189

Acc. 2890

Collection: Presented by Mrs. A. W. F. Fuller. 15 December 1965.
