Name Wooden figures of sons of Horus, A jackal-headed, B ape-headed, from different sets of such figures. Both have been coated with stucco and show also traces of blue-green paint on heads. B shows some gilding over this, also some red for straps on body. B is well shaped, but A has snout tipped queerly upward. A ends in a dowel at bottom.

Collection end of foot of B is lost.

Presented by Stanley Field, H. J. Patten and Chas. B. Pike
(Chas. F. Gunther, Coll.)
