

Chicago Area, Illinois, USA

Common Galls of the Chicago Region

1

Kathleen Soler

Produced by: Kathleen Soler, John Balaban, Cassi Saari, Charley Eiseman, and Ruta Daugavietis, with support from the Evanston Ecology Center and the Field Museum.
<http://charleyeiseman.com/> ; ksoler@gmail.com, kathleensoler2@inaturalist.org. This guide was inspired by a Field Museum leaflet (#16, "Fifty common plant galls of the Chicago region," by Carl F. Groneman.). Species names have since been lost, changed, and updated. This updated guide has been made cross referencing the leaflet with currently available iNaturalist and BugGuide data.

[1170] version 1 7/2019

1 *Amphibolips confluenta*
Spongy Oak Apple Gall Wasp

2 *Amphibolips quercusinanis*
Larger Empty Oak Apple Wasp

3 *Callirhytis cornigera*
Horned Oak Gall Wasp

4 *Callirhytis lanata*
Woolly Leaf Gall Wasp

5 *Polystepha pilulae*
Oak leaf Gall Midge

6 *Dryocosmus quercuspalustris*
Succulent Oak Gall Wasp

7 *Dryocosmus imbricariae*
Red Banded Bullet Gall Wasp

8 *Callirhytis seminator*
Wool Sower Gall Wasp

9 *Andricus quercusstrobianus*
Lobed Oak Gall Wasp

10 *Callirhytis clavula*
White Oak Club Gall Wasp

11 *Acraspis erinacei*
Hedgehog Gall Wasp

12 *Andricus dimorphus*
Clustered Midrib Gall Wasp

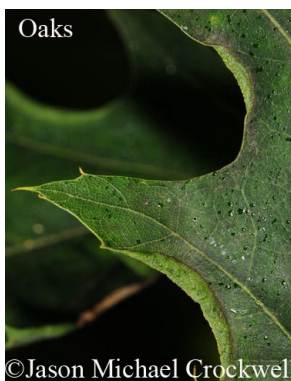

13 *Disholcaspis quercusmamma*
Rough Bullet Gall Wasp

14 *Trigonaspis quercusforticorne*
Oak Fig Gall Wasp

15 *Neuroterus saltarius*
White Oak Jumping Gall Wasp

16 *Macrodiplasis erubescens*
Marginal Leaf Fold Gall Midge

17 *Pachypsylla celtidismamma*
Hackberry Nipplegall Maker

18 *Celticis spiniformis*
Hackberry Thorn Gall Midge

19 *Colopha ulmicola*
Elm Cockscomb Aphid

20 *Kaltenbachiella ulmifusa*
Elm Pouch Gall Aphid

[1170] version 1 7/2019

21 *Phylloxera caryaecaulis*
Hickory Aphid Gall Phylloxerid

22 *Eriophyes cerasicrumena*
Black Cherry Leaf Gall Mite

23 *Apiosporina morbosa*
Black Knot Fungus

24 *Pemphigus populitransversus*
Poplar Petiolegall Aphid

25 *Mordwilkoja vagabunda*
Poplar Vagabond Aphid

26 *Contarinia negundinis*
Boxelder Gall Midge

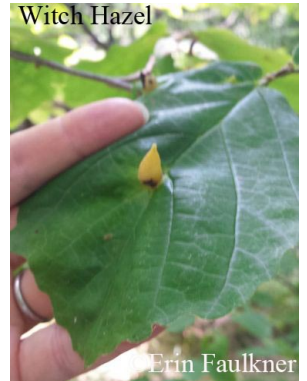

27 *Rabdophaga strobiloides*
Pinecone Willow Gall Midge

28 *Pontania proxima*
Willow Leaf Bean Gall Sawfly

29 *Hamamelistes spinosus* Spiny
Witch Hazel Gall Aphid

30 *Hormaphis hamamelidis*
Witch Hazel Cone Gall Aphid

31 *Diplolepis bicolor*
Spiny Rose Gall Wasp

32 *Diplolepis rosae*
Mossy Rose Gall Wasp

33 *Ampelomyia vitiscoryloides*
Grape Filbert Gall Midge

34 *Daktulosphaira vitifoliae*
Grape Phylloxera Gall

35 *Antistrophus silphii*
Apical Rosinweed Gall Wasp

36 *Eurosta solidaginis*
Goldenrod Gall Fly

37 *Gnorimoschema gallaesolidaginis*
Goldenrod Elliptical Gall Moth

38 *Rhopalomyia solidaginis*
Goldenrod Bunch Gall Midge

39 *Asphondylia helianthiglobulus*
Sunflower Purse Gall Midge

40 *Pilodiplosis helianthibulla*
Sawtooth Sunflower Midge
