

252856

Provenience: Polynesia

Field No.

People or Culture: Borabora (Society Islands)

Object: stone tiki figure

Material: basalt

Description: tiki depicts two figures (back-to-back) in low relief achieved by pecking. Peck marks appear recent in some cases. The donor knows that the object was collected in Borabora since WW II. (There is a good chance that the tiki is a recent fake.)

Neg. No.

Dimensions:

(in cm.) height: 27 cm.
