

257259

Field No.

Provenience: Africa, N. Nigeria, Bornu Province.**People or Culture:** Kanuri.**Object:** Prayer beads.**Material:** Wood, string, leather.

Description: The prayer beads are round brown wooden beads, strung on a string. There are 105 beads. At regular intervals, there are two larger carved beads and three black leather pieces kept on the string with a piece of brown leather and ending in brown leather knots. The beads begin and end at carved bead, twice as long as the other carved beads, from which strings protrude ending in two red wooden beads. Acc. Coll.:
