

300141

Field No.

Provenience: Africa Kenya**People or Culture:** Kikuyu or Masai**Object:** Belt**Material:** Leather, beads, metal chain, strings

Description: Band of leather ornamented on outer surface with clusters of six blue and six white beads and a small number of red and green beads. Beads are strung on string tightly secured under the leather. Hanging from the string on some bead clusters are loops of chain-link. At one end of belt is attached narrower strip of leather which fits through hole in other end and is knotted to fasten belt. See reverse for Collector's Tag Data.
