Stock.

Name Leather quiver (roughly made, with cap, bands and carrying strap. — 69 cm. long) with 12 arrows and 2 heads of elephant spears (with foreshafts 40 & 50 cm long, triangular head of iron ^{pointed}) 5 arrows with iron heads, 3 triangular 2 leaf shaped; rest plain wood points. Most

Collection C. E. Akeley

Mus. Exp. 1906

Notes of arrows are cut, and often wrapped with sinew, in imitation of foreshaft.

The heads of elephant spears belong with nos. 104685 & 104686, but are carried by the native in this quiver.
