FIELD MUSEUM OF NATURAL HISTORY—ETHNOLOGY

22-20

194171

Field No.

45 a & b

Provenience: Nigeria, Isham

People or Culture: Yoruba

Object: Pot with cover

Material: Clay

Description: A footed bowl with a cover. Elaborately decorated with corncob rouletting, burnishing, and incised designs. The lid has a knob. It is used to hold cigarettes, or kola nuts— for guests. It has been basted completely with a bark liquid after firing which turns the surface a dark, reddish-brown.

Neg. No.

597.6A
