

257273

**Provenience:** Africa, N. Nigeria, Bornu Province.

Field No.

**People or Culture:** Shua Arab.**Object:** Grain Bag.**Material:** Leather.

**Description:** Bag is of red and tan coloured leather, stitched with red leather. Body of bag has alternating strip of red and tan, the neck is of tan. It has long neck which widens into body of bag with its flat bottom. Red leather string is tied onto rim. Acc. Coll.: Bag is made by women. As Shua are nomadic, bag is more useful than calabash. Collected in 1966.
