FIELD MUSEUM OF NATURAL HISTORY—ETHNOLOGY 16-12

Field No.

Provenience: Mato Grosso, Brazil, Aldeia Camararé,
Rio Camararé

People or Culture: Nambiquara Indians, kithauhlú band

Object: long gourd

Material: gourd

Description: This is a small, long gourd, particularly suitable for carrying water or tobacco on trips, since its shape enables it to be hung on the outside of a basket with a minimum possibility of its spilling, or easily packed inside of a basket.

Neg. No.

50

Dimensions: length: 27.5; grtst diam: 7.7
(in cm.)

Acc. 3133
