

180406

Country Brazil

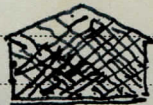

Locality Tapajós River (South Amazon basin)

People Parintintin (? Tupi) Stock

Name

five-fan made of from part of a palm leaf. The long thin leaves have been left on only one side of the leaf-stalk. This has been bent over on itself and the leaves intertwined - two under + two over.

Collection Goteborg Museum Exchange

(Baron Erland Nordenskiöld, Coll.)

Notes of much simpler plaiting + shape than

those of N. & N.W. + S.W. Amazon Basin
