

A. ENT 222020.	FIELD MUSEUM OF NATURAL HISTORY—ETHNOLOGY 22-54 Provenience: West Africa, DAKar, Senegal
Field No.	People or Culture: Wolof Object: HAND-DYED CLOTH Material: Cotton damask. Description: Lappa is dark blue gara on white damask. The pattern, which takes the full piece of material, is made by doubling the material and sewing diagonal bands of fine stitching, leaving white bands approximately 10 cm. wide and plain blue bands approximately 16 cm. wide, giving the effect of two half-diamonds which meet in the center of the cloth. From the Dakar cloth market.
Neg. No. Rosenthal slide #F8966.	Dimensions: 153 x 116 (in cm.)
3246 Acc.	Collection: Collected by Maude Wahlman, April 1973.
