Field No.

Provenience: Africa Nigeria**People or Culture:** Yoruba**Object:** Decorative panel**Material:** Sheet aluminum

Description: Unfinished panel. The border is roughed in and the stylized figure of a dancer in an elaborate costume is in the center. The costume has seven vertical panels each with a different design. The top of the costume which completely covers the figure, has two decorated horizontal bands and is topped by a pair of horns and an animal head. The figure holds a baton or rattle. Another small figure on the left of the other is begun. Made by Asiru Olatunde, Osogbo, Nigeria.

Dimensions: Height 38.5 cm. Width 72 cm. (in cm.)
