**DEPARTMENT OF ANTHROPOLOGY
DESTRUCTIVE ANALYSIS AGREEMENT**

The objects to be sampled that are listed in the attached Schedule A are part of the collections of the Field Museum of Natural History (hereafter The Field Museum) and are provided for destructive analysis with the following conditions:

1. All test results, including raw data in the form of graphs, computer printouts, etc., pertaining to the listed objects will be provided to the Registrar, Department of Anthropology, The Field Museum.
2. A copy of any publication including information resulting from analysis on the listed objects will also be provided to the Registrar, Department of Anthropology.
3. Any and all unexpended portions of samples will be returned to The Field Museum.
4. All costs of the analysis, including packing and shipping to and from The Field Museum, are the responsibility of the researcher, unless otherwise indicated in writing.
5. In cases of DNA extraction, no commercial use of the DNA derived from the samples may be made without a written agreement with The Field Museum.

The undersigned agree to and approve of these conditions.
