

PAIR OF LACQUER TRAYS

The black lacquer is decorated with a delicate inlay of mother-of-pearl. The pictures represent a sage standing on a bridge and admiring a lake; and a man with staff followed by an attendant who carries a lyre; he is about to cross a bridge leading to a pavilion. Made by Kiang Ts'ien-li, a famous artist in lacquer.

K'ANG-HI PERIOD (1662-1722)
