## FIELD MUSEUM OF NATURAL HISTORY

54A-1/02

235862

ENT

LOCATION:

Provenance: China (probably Honan province:  
Hui hsien)

People: Chinese

## Description:

Figurine of a woman of solid, dark brown pottery. She wears a cap with peak in front, a long dress with belt and vertical stripes in the skirt, and holds her hands together over her stomach. The face, belt, and stripes are shown in red. Hole in bottom. Marks of carving show plainly around skirt. Believed to date from 4th century B.C.
