

104352

Country British East Africa
 Locality Mumarago
 People Akikuyu Bantu Stock.

Name sheep bell with leather neck band.
Bell about 7 cm. high and 4 cm. across.

This is made of a single piece of iron, the two
sides uniting in a connecting bar, which forms the
loop for suspension and for the attachment of the
clapper.

Collection C. E. Akeley
Mus. Exped. 1906
