FIELD MUSEUM OF NATURAL HISTORY

13-0

Provenance: Guatemala.

People or Culture: Probably Lake Atitlán region.

Description: Doll (male).

Blue shirt with white and orange twin stripes, white pants, red belt and white and black checked apron. Multicolored neckcloth and on the head a hat with a tzute around it. The doll is obviously representing a travelling merchant because he carries a stick and on his back a wooden carrying frame with goods of various kinds.
