der seeming to be goat. None of the dyes are native. Colored yarns of Hudson Bay blankets, unravelled and respun compose the remainder of it. The designs seem to be basketry.

Collection Gift of H. E. Sargent SW
Miss McKay, Victoria B.C. Coll

Notes Woven between 1862-1862 according to best information obtainable.

Width 59" Length 57" Height 57" Price 90⁰⁰

embroidery designs used by the
tribe. The stepped figures are called
"stars" or "stepped or notched stars" and the
centers "eyes". There are also the
"stepped zigzags" (lines). The Indians
claim that only the fingers, no
needles are used in its making.
See full notes furnished by
H. E. Sargent & filed in the
accession jacket.
